

12th Technical Group Meeting of National Statistical Offices (NSOs) of BRICS Countries for Preparation of Joint Statistical Publication 2021

24 February 2021

The 12th Technical Group Meeting of National Statistical Offices of BRICS (Brazil, Russia, India, China, South Africa) Countries has been held today (24th February 2021) at New Delhi in virtual mode under the aegis of Ministry of Statistics and Programme Implementation (MoSPI), Government of India.

With a view to providing a common platform for focused interaction, the association of BRIC (Brazil, Russia, India, China) Countries was mooted in 64th General Assembly of United Nations in 2009. The association came to be known as BRICS (Brazil, Russia, India, China, South Africa) in 2010 with the joining of South Africa. Since then, the association of BRICS Countries has been deliberating the issue of mutual interest under the Chairship of one of the BRICS Countries by rotation. India, Chair in 2021, is scheduled to host various deliberations in 2021.

The 12th Technical Group Meeting has been chaired by Director General (Statistics), MoSPI and attended by National Statistical Offices of BRICS Countries. The draft Joint Statistical Publication (JSP) and JSP (Snapshot) have been discussed in the meeting. The Joint Statistical Publication (JSP) and JSP (Snapshot) will be released in “Meeting of Heads of NSOs” to be held in the month of August, 2021. The discussions centred around the data to be included in the various domains of Joint Statistical Publication such as Economy, Employment, Industry, Energy, Environment, Agriculture, Finance, Tourism, etc.

The meeting also discussed the draft proposals by ROSSTAT, Russia on cooperation between BRICS Countries, vision document on cooperation and statistical system development of BRICS NSOs and proposal regarding New Development Bank for project funding.
