

## VII BRICS Labour and Employment Ministers' Meeting (Virtual) 15 July 2021

Union Minister for Labour & Employment Shri Bhupender Yadav chaired the BRICS Labour & Employment Ministers' Meeting on 15 July 2021 under India's Presidency. Ministers of the member countries viz. Brazil, Russia, India, China and South Africa participated in the meeting.

India organized the BRICS Labour & Employment Ministers' Meeting to exchange views on the impact of Covid-19 on global labour market, enhance information sharing, discuss and agree upon specific areas of cooperation between BRICS Member countries. Discussion on four priority areas of cooperation took place namely, Promoting Social Security Agreements amongst BRICS Nations; Formalisation of Labour Markets; Participation of Women in the Labour Force; and Gig and Platform Workers: Role in the Labour Market.

The significant aspect of the meeting was the adoption of the BRICS Labour & Employment Ministers' Declaration. The Ministerial Declaration recognized that the COVID-19 pandemic has negatively impacted the efforts made to address unemployment, decent work deficits and inequality. It also illustrates the strong determination of BRICS Member countries to recover with stronger national economies, inclusive labour markets and social protection systems.

In his welcome address, Shri Bhupender Yadav stressed one enhancing the intra-BRICS solidarity and promoting sustained, inclusive, full and productive employment and decent work for all. He highlighted the path breaking reforms by Government of India in amalgamation,

simplification and codification of its labour laws into four labour codes, namely “The Code on Wages 2019”, “The Code on Social Security 2020”, “The Industrial Relations Code 2020” and “The Occupational Safety, Health and Working Conditions Code 2020”. The new Labour Codes provide integrated pathways towards robust formalization of the labour market, increasing participation of women in the labour force and enhancing the role of gig and platform workers in the labour market. The Minister further emphasised on need for signing of Social Security agreements amongst BRICS nations to promote welfare of the international migrant workers.

On the issue of “Promoting Social Security Agreements amongst BRICS Nations”, BRICS Ministers have resolved to carry out exchange of information among BRICS countries on employment and social security for cross-border labour flows and initiate social security agreements between BRICS nations within a reasonable time frame. On the issue of “Formalisation of Labour Markets”, member countries reiterated their commitment to enhance the transition from informality to formality as a means towards improving living and working conditions, productivity and job growth and strengthening efforts to reduce poverty through access to quality employment and social protection.

BRICS countries also agreed that the sustained participation of women in the labour market and strategies for the promotion of women participation in remunerative, productive and decent work are top priorities in the national policy agenda. To enhance the role of gig and platform workers in the labour market, the BRICS Ministers supported the development of the digital economy, including digital delivery of services, while acknowledging the role of digital platforms in providing resilience to national economies in the face of crisis such as COVID-19.
